Dear Mike

**Application for the conferment of the title Emeritus Professor**

Following the meeting of the Professorial and Readership Panel on 29<sup>th</sup> March 2008 I am delighted to confirm that your application for the conferment of the title of Emeritus Professor has been approved.

I will report your success at the next Senate meeting on Wednesday, 19<sup>th</sup> March 2008.

As you will be aware, conferment of Emeritus title carries with no entitlement of space within the University, or other form of support. Exceptionally, a Dean of Faculty may agree to provide space for an Emeritus Professor to continue their work in University with such arrangements being reviewed annually.

I would like to take this opportunity offer my congratulations on your Emeritus Professor title and wish you every success in the future.

Yours sincerely

Professor Joy Carter  
Vice Chancellor
